Alongside his career, Christophe Lécuyer joined ACADÉMIE DESPREZ in 2000. Once treasurer of ACADÉMIE DESPREZ between 2001 and 2003, he mostly got involved in outreach activities, as Webmaster.

Under the leadership of Gilbert Blin, founder of ACADÉMIE DESPREZ, Christophe Lécuyer designed and carried out ACADÉMIE DESPREZ' Website, which first pages went online in 2001. In November 2006, the Website became, through its extensive features, the "virtual house" of ACADÉMIE DESPREZ. It plays an essential role in the activities of the *Groupe de Recherche*. For the general public, the Website continues to reflect ACADÉMIE DESPREZ' works and their constant evolution.
